

Saint Mary's Catholic Church

Greenville South Carolina

from the pastor

Dear Friends in Christ,

In January 1964, Pope Paul VI made an historic pilgrimage to the holy city of Jerusalem during which he made headlines with a number of “firsts.” He was the first pope to fly on an airplane. He was the first pope to leave Italy in more than a century. And he was the first pope since Peter to visit the Holy Land while serving as Bishop of Rome. Imagine that. Since Simon Peter left Jerusalem for Antioch and then Rome in the middle of the first century, not one of his successors set foot in the Holy City until 1964. That alone would rank Pope Paul’s journey as historic, but there was one more “first” as well.

Paul VI was the first Bishop of Rome to meet the Ecumenical Patriarch of Constantinople since the Great Schism began in 1054, and their blessed encounter took place – after a pause of nine centuries – in the most appropriate place imaginable: the Mount of Olives. The Garden of Gethsemane is at the foot of the Mount of Olives, and from that holy Mount, the Lord Jesus ascended to glory. There in 1964 Patriarch Athenagoras I and Pope Paul VI embraced each other as brothers in the Lord, a bold gesture which led the following year to the Catholic-Orthodox Declaration which revoked the excommunications of 1054, the traditional marker of the beginning of the Great Schism between the Orthodox Churches and the Catholic Church.

Since Pope Paul’s visit, there have been only two other papal pilgrimages to Jerusalem. Pope Saint John Paul the Great went to the Holy City in 2000, and Pope Benedict XVI travelled there in 2009. But today we add one more Bishop of Rome to that list. Pope Francis is in Jerusalem to mark the 50th anniversary of the meeting between Pope Paul and Patriarch Athenagoras, and he will be joined there by Ecumenical Patriarch Bartholomew of Constantinople. Together the two bishops will pray for the restoration of full, visible communion of all Christians in Christ’s one, holy, catholic and apostolic Church, and they will call upon all Christians of East and West to follow the path of fraternal dialogue, mutual respect, and sacrificial love.

This visit of Pope Francis to Jerusalem will also have its “firsts.” Francis will be the first pope to lay a wreath at the grave of Theodor Herzl, the founder of the Zionist movement who is reckoned among the fathers of the State of Israel. But this he will do only after he flies from Jordan directly to Bethlehem, in the occupied territory which is acknowledged by the Holy See to be part of the State of Palestine. And on this remarkable journey, Pope Francis will be accompanied by two old friends from Argentina: Rabbi Abraham Skorka and Imam Omar Abboud. During this extraordinary moment for Christians, Jews and Muslims, let us pray for Pope Francis and the success of his mission to the nations, beginning at Jerusalem.

OFFICE OF THE BISHOP

May 2014

Dear Brothers and Sisters in Christ,

The Catholic Communication Campaign (CCC) supports projects throughout the world that evangelize through the use of media. With the growth of new media, more people have greater opportunities to connect in the digital environment. The CCC funds grants that support local and international communications projects that strengthen Catholic faith, worship, and witness.

For example, in Africa, the Collection funded the Kenya Election Assistance Project, an initiative of the Kenya Conference of Catholic Bishops, which used text messaging and other new tools to prevent violence during the 2013 elections. The initiative successfully sent messages through radio, television, and online media, touching the lives of the Kenyan people and encouraging them to address their differences by more peaceful means.

For Susan, who lives in Minnesota, online social media funded by CCC was an experience of catechesis and evangelization. "I found a real and living community," she said, "which went beyond the online environment into concrete relationships." Susan now shares her faith with all her friends, both Catholic and non-Catholic, through her social media sites. This would be impossible, she said, without the content provided by dioceses and organizations supported by the CCC.

The Collection for the Catholic Communication Campaign allows us to tell the world about our experience of faith, worship, and witness. Please support this important work in the upcoming Collection, which will be May 25, 2014, in our diocese. Remember, half of the proceeds from this Collection stay here in our diocese to support our local communication efforts such as video productions, the diocesan website and The Catholic Miscellany.

Sincerely yours in Christ,

Most Rev. Robert E. Guglielmo
Bishop of Charleston

Evensong in the Anglican Tradition Pentecost Sunday 8 June at 5 pm

After the Holy Eucharist, the most important form of Christian prayer is the Liturgy of the Hours, also called the Divine Office. In the Roman form of the Divine Office there are two liturgical Hours for the evening: Vespers and Compline. In the 16th century Book of Common Prayer, these two Hours were combined into one celebration called Evensong, and this beautiful way of praying is part of the Anglican patrimony preserved in the Catholic Church by the Personal Ordinariates for Catholics from the Anglican tradition. The Community of St. Anselm's is offering this splendid opportunity of liturgical prayer to everyone at St. Mary's and in the wider community.

Please join us at 5 pm and bring a friend for Evensong.

Culture of Life

St. Mary's Culture of Life Team mission is "to equip the people of St. Mary's to help build a 'culture of life' where human life is protected, respected and nurtured."

"Every child has been created for greater things, to love and be loved, in the image of God. That's why people must decide from beforehand if they really want to have a child. Once a child is conceived, there is life, God's life. That child has a right to live and be cared for. Abortion destroys two lives, the life of the child and the conscience of the mother. It is a child of God, no? Created for greater things, just like you or me." - *Blessed Mother Teresa*

Spiritual Adoption

"Happy Birthday to your Spiritually Adopted Baby!"

Your spiritually adopted baby was born this month...nine months after her mother conceived her. The only change at birth is a change in the external life support system of the baby. She is no different now than she was before birth except that she breathes and eats differently. She is truly a miracle. She began as a 46-chromosome cell and has grown over the past nine months into this unique human baby we now can see. Never before in history, nor ever again, will anyone exist who is exactly like your spiritually adopted baby. Your prayers saved her life. Thank you on behalf of all of the little babies and their parents for your loving prayers that helped to bring them to birth "so that they might have life and have it to the full!"

The Culture of Life Ministry also wishes to thank all those who took part in the Spiritual Adoption Program.

Marriage Encounter

"Whoever loves me will be loved by my Father, and I will love him and reveal myself to him." Jesus asks us to love Him. When we love our spouse without condition, we are loving the Lord.
