Teen Volunteers Code of Conduct

All teen volunteers must be with an adult leader at all times.

You must remain with your group all morning.

You must actively participate in the craft with the group and assist the children before you take part in the special craft yourself, if time allows.

All teen volunteers must dress modestly each day.

Each person is to treat others with respect, courtesy, and consideration.

No roughhousing.

Please do not pick children up and carry them around.

Please do not add extra excitement to the teacher's day.

When taking a child to the rest room you remain outside the door and wait until they are finished.

____ Yes, I understand my responsibilities and will do my best to be a great volunteer.
