

saint mary's catholic school

Each Fall, students at Saint Mary's Catholic School participate in the Diocese of Charleston mandated testing program which consists of the Iowa Assessments (IA) and the Cognitive Ability Test (COGat). The Iowa Assessments measure student achievement and growth. The Grade Equivalent (GE) makes it possible to follow educational growth from year to year. The September 2016 testing indicates that the Grade Equivalency scores of students at Saint Mary's Catholic School continues to be above grade level.
